## Letter of invitation

to

Members and Guests of ITTAB 2025

**Object :** Invitation for the 73<sup>rd</sup> International Meeting of Technical Authorities for Cableways, in Toulouse, France, from Sunday 21<sup>st</sup> to Thursday 25<sup>th</sup> September 2025

Dear Sir / Dear Madam,

The STRMTG – the Technical Service in charge of safety for ropeways and guided transports from the French Ministry of transports – warmly welcomes you to the 73<sup>rd</sup> International Meeting of Technical Authorities for Cableways (ITTAB 2025), which will take place from Sunday 21<sup>st</sup> to Thursday 25<sup>th</sup> September 2025 in Toulouse, France.

As with previous editions, ITTAB 2025 will gather authorities and experts such as yourself to discuss developments in aerial cableways, along with customized technical visits to selected local cableway installations.

### Main meeting place

ITTAB 2025 will be held at Hotel Mercure Toulouse Centre Saint Georges, in the city center of Toulouse in France.

### Registration and hotel reservation

You are asked to confirm the presence and composition of your country's delegation for the meeting by returning the attached "Registration Form for Delegates and Companions" form (Annex 1). If you are bringing along companions, do remember to include their information in the registration form. We would greatly appreciate if we can receive your confirmation **by 1<sup>st</sup> May 2025** to be better able to make logistical arrangements for the meeting.

Practical information for the meeting will soon be available on the ITTAB 2025 website:

<https://www.strmtg.developpement-durable.gouv.fr/en/ittab-2025-r106.html>

Hotel reservation shall be made by sending the reservation form (Annex 2) **to the hotel by 30<sup>th</sup> may 2025**. This reservation form includes the stay price at the hotel and the congress fees.

## **Incident Statistics – 2024**

Each year, ITTAB collects the statistics of incidents from its member countries for discussion during the meeting.

We would be grateful if you could provide data from your country by 30<sup>th</sup> May 2025, using the incident statistics template (Annex 3). Guidance on how to complete the submissions can be found in Annex 4.

## **Technical Questions**

If you would like to submit technical questions, please complete the specific form (Annex 5) by 30<sup>th</sup> May 2025. Otherwise, we may not be able to organize a survey for all the received questions (because then it needs a distribution to all countries to request a response and a redistribution of the responses received to all countries).

## **Presentations**

ITTAB is a members-driven event. If you are keen to present any relevant topics during the meeting, we seek your kind cooperation to provide the list, the estimated time and a short resume of the presentations by 30<sup>th</sup> May 2025. Then we would like to receive the full presentations by 1<sup>st</sup> August 2025 (no template for presentations, be free to use your own company template).

Please find the provisional daily program of the ITTAB 2025 (Annex 6). A set of internal meeting guidelines for ITTAB is given in Annex 7.

We would like to gently request all document submissions to be in English only.

## **Summary of submission deadlines**

As a reminder, please find a table of enclosed documents and associated submission deadlines that are included in Annex 8 for your easy reference.

## **Contact details**

If you have any questions about the meeting and conference papers, please contact us at: [ittab2025.strmtg@developpement-durable.gouv.fr](mailto:ittab2025.strmtg@developpement-durable.gouv.fr) or by phone on +33 476 637 878

We look forward to seeing you in September!

Yours sincerely,

The Director of STRMTG

President of ITTAB 2025

Daniel PFEIFFER
